Annual Publication of the
Handley High School Seniors

The Foreword

It is with many fond memories that this 1955 issue of the Greyhound is brought to you, the students of Handley High School. We have had many experiences of which it is worthy to take note. If, many years in the future, this volume brings back one flash of remembrance, efforts have not been in vain, and this book will have been a success.

To You---

To you, John D. Cooper, because of your fine cooperation and participation in all our school activities; because of your patience and understanding with our boys; and because you are such a good sport in the classroom and on the campus . . . we, the Seniors of 1955, dedicate this annual to you.

And You---

And to you, Miriam Moore, because you have been an exceptional leader and friend; because you have undertaken the hardest job with a smile and backed the school in all of its activities; because you are an inspiration to all our girls and have manifested an interest in the welfare of our class . . . we, the Seniors of 1955, dedicate this annual to you also.

Girls' Sports

Miss Miriam Moore, teacher, advisor, and friend, of the students Handley High School, has done much in developing the attitudes, personalities, and sportsmanlike qualities of her students.

To eat or not to eat,
That is the question?

For the past two years the All City Volleyball tournament has been held in our gym; also each year there is an inter-mural tournament between the classes.

Girls' Sports

One sport that is looked forward to from the beginning of the year is basketball. After being taught the techniques of basketball in our classes the season is closed by an inter-mural tournament.

From the many people participating in tennis a junior and senior high team is chosen. An approximate number of about fifty per cent of the students play tennis.

One of the sports you find girls taking part in on sunny days is horseshoes. It is listed among the light activities but it is enjoyed very much.

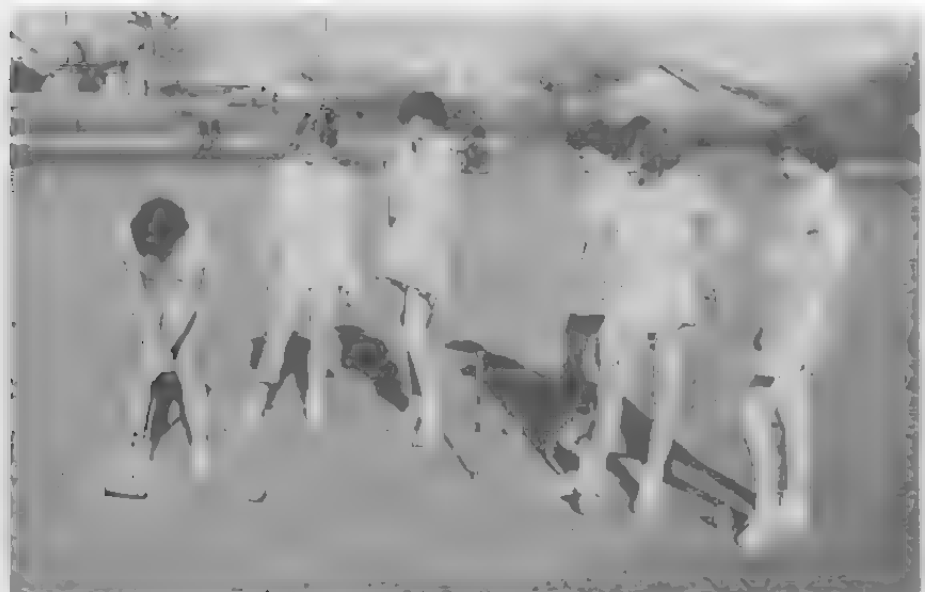

Each year one school in the city sponsors a Folk Dance Clinic. A dance group from each school go—and learn the dances, then they return to their school and teach the dances.

Girls'

Sports

Another light activity that is played on sunny days is croquet. It is a sport that is enjoyed very much by the students that play it.

54 FOOTBALL SEASON

In the first outing of the "55" campaign the Greyhounds engaged the Laneri Micks on the Greyhounds field. This being the first game of the season many mistakes were made, yet with Barton's passing and running Handley edged the Micks 13-0. The next week saw the 'Hounds tackling the Decatur Eagles at Decatur. Again with Barton applying the spark the Greyhounds plucked the Eagles to the tune of 18-0.

The following week found an underdog Handley eleven playing the Bowie Jackrabbits. With Steamroller Johnson leading the way the Greyhounds chewed the Jackrabbits 18-0 on a muddy and slippery field. The next game was a real test. Up to this time Handley was one of the four teams in 2A who had not been scored on in the State. The Stephenville Yellow Jackets were given a terrific scare before they emerged the victor 13-6. Johnson played great ball along with Howard, Smith, and the Peters brothers. The practice games were over. The first district game with Birdville was to be played at Handley. Birdville proved a tough opponent, yet with the entire Handley team playing great ball, the Greyhounds came out on top by the score of 19-7. Handley journeyed to Northwest a little overconfident and were behind 14-0 at the half. Failing to play good ball in the first half the Greyhounds came back fighting and with Barton's passing, Johnson's running and Howard's snagging overpowered the Texans 21-14. With the championship in mind again the underdog Handley eleven beat the mighty Brewer Bears 13-6 on Brewer's field with great all around play from every Greyhound. An overconfident Greyhound eleven took a shellacking from the supposedly lowly Lake Worth Bullfrogs by the score of 13-0 erasing any chance of a tie for District. The last game of the season was the "the game". The winner of the Diamond Hill-Handley game would be the District Champions. It looked as if the game would end in a tie until the last quarter when Diamond Hill's great tailback Lonnie Flory powered his way to the goal line for six points. Also in the fading seconds Handley was trapped behind their own goal for two more points for Diamond Hill. With the final whistle, the 1954 season was over. It can be honestly said that the 54 season was a great season and from those leaving Handley, we wish the best of luck to our coaches and the 1955 Greyhounds

Class Prophecy of 1955

On a bright sunny morning in the year 1955, Professor JAMES MCGEEHEE strolled out to his private airfield and boarded his Mercury Rocketship. He was going for a spin to the planet Mars so he could get a birds-eye view of the graduates from Handley High School in the year, 1955, as seen through his VANCE HURLEY telescope. Here's the account as the Professor sees it.

"As my ship rises higher into the air, my 'Roman' eyes catch a glimpse of a sparkling object. I reach for my telescope and look through it to see 'Miss Texas of 1965' written in glistening letters across the dress that VELVA HOWARD is wearing. HOMER DAUGHERTY is there with camera and flashbulbs and DAVID HUGHES is just there! I believe he is trying to get a signature on a contract—contract for the movies that is!

"I move on to the Moon from where I can see the 'Football Game of the Day.' Coach GARLAND JOHNSON is seated on a bench with head in hands. I think he finally has come to the conclusion that RONALD GREEN and JACKIE MITCHELL shouldn't have ever gone out for football!

"Also I see another game—it is a tennis match between BOB SMITH and JOHN JAHREN playing for the world's championship. I wouldn't dare say who is winning.

"Hey! What's the matter with Paula? I think she's drowning! No! Here comes Buster now. Gee, I guess PAULA INGLIS and BUSTER CLEVELAND are only performing one of their famous water acts for HETTIE ELDER, the 'Queen for Today.' They have made quite a swimming team!

"They are all residing at the fabulous El Hutchins Hotel which is owned by HAROLD HUTCHINS. I see that they are being entertained nightly by the dreamy music of GEORGE GWIN and his orchestra, with JANICE McLEMORE singing the latest hit tunes.

"I turn my telescope NNE and New York comes into view where I'm sure to see that dazzling new model, THURIA BOSWELL. There she is now, and I believe her escort is JACK HINES. Yes, I'd recognize him anywhere. He is making quite a hit with his puppets you know. Why, there's FRED LYON'S restaurant! And isn't that BARBARA MORRISON and BETTY WATSON going in the door? Yes, it is! You know, Barbara is the Dean of Girls at Buffalo University and Betty is also teaching foreign language there.

"In the distance I see smoke. Maybe I'd better investigate. Oh, I see it's only a dog house and firemen LEON GUNTER and ROBERT YOST seem to have everything under control.

"I see BILL HICKS in the crowd. He always was one to stand by and watch while others did the work you know. Well, now he's really in the 'Watch' business. He owns a large watch factory over in Jersey.

"Just a minute—I bumped the telescope and when I look in now I see BOBBIE AUSTIN, EVAUGHN TARRANCE, and GAIL STOCKTON sitting on the veranda of Babbie's home, sewing. They make the clothes for all of ANITA PARKER'S children—She's matron of an orphanage down in Florida. Let's switch to SSE and to Palm Beach, Florida.

"Approaching the beach I see they are having a large barbecue. RONALD AMBROSE and REGGIE COLLET have contributed all the beef. (Remember, they were pretty good beefers in 1955.) EARLINE GORDAN and WANDA DESHAZO have prepared all the trimmings, and RICHARD MANN is on hand to be the chef.

"Over to one side I notice a tent. I look inside and what should I see but SANDY NICHOLAS, the fortune teller, telling MAXINE BRATCHER that she would meet a tall, handsome policeman named WOODY HACKNEY. At another stand I see LINDA YOUNG and MARLENE HODGSON selling the latest flavor in ice cream—coffee with cherries. They made the recipe in their trial kitchen at DON AUSTIN'S Dairy.

"Let's turn our telescope—no wait. Here comes ERNEST WILSON ashore in his dashing speed boat. Aboard is Senator BARRY GROVE and his stenographer, PEGGY WALLER, and CLELAND JACKSON, the great bring-em-back-alive wild-game hunter.

"Now as I move the telescope NW I see Nashville, Tennessee. In the downtown area I see BARBARA OWENS going into one of her twenty beauty salons. MARY LEE REAVES, the wife of an archaeologist, is going in right behind Barbara to get the latest haircut—the 'Cat Clip.'

"Across town at the airport is Pilot JIM CRESWELL taking off in JOE CLARK and STUART CRANFILL'S new invention. CAROL AUSTIN is the stewardess and their destination is to get a story on ALICE LANE'S victory of climbing 'Old Smoky.' She and DALLIE KUYKENDALL are the first women to have ever conquered this mountain.

"In the terminal, MARION BROWN is seated at the telephone switchboard and MAUDIE KIRKPATRICK, who is traveling with her husband, has stopped to chat with her. Not far from them sits receptionist MARY THOMAS outside the office of IRBY JOHNSON, owner of the 'Zippy' Taxicab Company.

"Turning back toward Texas, I passed the Louisiana border and realized I was over WILBURN JENKIN'S chinchilla ranch. As I passed over the house I saw CLEOTA ANDERSON. She designs all of the coats and wraps for 'WILLIE.'

"Now to get Fort Worth, Texas centered in my telescope. There, now I see MARION PARRISH and LORA BELL JOHNSON planning a luncheon for the mayor, GERALD GARRETT and other city officials such as TERRY LOCKE, BOBBY DAVIS and FRED COLE. WAYNE CARTWRIGHT, the President of the school board and RONALD MOAD, the District Attorney are also to be invited. Civic leader and society woman, GLENDA PAWLEY is to be the guest speaker and BARBARA PRICE is to show a film she had taken while in England.

"In the dining room at Hotel Texas, Novelist LOIS DICKIE and hat designer KATHERINE NIGRO are talking over old times. Across the room is seated JOHN PETERS, the sheriff of the Cowntown Passe and the holder of the Championship Rodeo saddle, BOB BALLENGEE.

"After seeing all this, I feel I have seen quite enough for one day, so I load up for the trip back to Handley, Texas, USA, where HAROLD MATHIS, my partner is waiting to greet me."
